- Each chapter will have an accompanying "Grade Aid" question packet that will be due on the exam date. These are worth 50 pts and MUST be handed in on time to receive full credit!**
- Ch. 10 Intelligence packet will be due when we return from December vacation, on January 3. There will be a test on that date.**
- In the event of a snow day (or any other type of school cancellation), it is important to keep to the schedule. This means that on the day we return to school, any assignment from the day(s) off will also be due. If we have a snow day on the day a test is scheduled, the test will be given **on the day we return.**
- I will let you know right away if any changes to this are necessary throughout the course of the semester.
