NOTE: We are talking about drugs that are used for "non-medicinal" purposes.

1. What is a drug?

2. List five reasons for why people might use drugs.

   a)

   b)

   c)

   d)

   e)

3. Some people think that <u>all</u> drugs should be legal, and give a variety of reasons for this. Give three reasons for why even "hard" drugs like cocaine or heroin should be made legal. (<u>*You don't have to agree with them*</u>, but you need to give three reasons!)

4. Now give three reasons why these hard drugs should <u>remain illegal</u>.
